This form is to be used to document continuing education (CE) hours received through webinars, in-service training, seminars, workshops and conferences. This CED Form should be used in instances where a formal Certificate of Completion is not provided and/or instances where the Certificate of Completion does not provide enough information for the NACP Committee to assess if the training requirements have been met (participants name, title of training, date(s) of training, total time of training).

Note:

- 32 hours of continuing education are required every 2 years to maintain your NACP Credentials, and must be completed within 2 years of your current submission to be valid.
- If you have changed your Specialty area(s) or are applying to upgrade your credentials, it is required that you include topics related to your Specialty area(s).
- The continuing education submitted for credentialing purposes must be in victim assistance-related topics. (Applicants are encouraged to seek continuing education in more advanced topics, including new developments and/or emerging issues in the field.)
- A separate CED Form should be used for each training
